Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Friday 20 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers at times over the weekend, improving next week.

This Evening and Tonight:
Rather cloudy this evening although most parts will stay dry, apart from perhaps the far west later in the night. A few mist or fog patches may develop in the east. Minimum temperature 14 deg C (57 deg F).

Saturday:
After a mostly dry start with some brightness further east cloud will thicken as rain moves in from the west, perhaps turning heavy at times through the afternoon. Light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Sunday to Tuesday:
Sunday will be mostly cloudy, with scattered showers developing, heavy at times. Monday and Tuesday drier and warmer. Brighter as well, with long sunny spells on Tuesday.
